IV. Requirement

The CMDF e-learning portal should have the following features:

- ✓ Provide an individual account and profile for each learner with a verified e-mail address.
- ✓ Selections for online and offline payment when enrolling in the course. Online payment can be done through a bank or online merchant. Offline payment can be done through the cashier; you may use a one-time coupon to enroll in the course.
- ✓ Outlines for each course being offered. Provide the host website with the capability to upload documents and videos designed for the course.

Provide details such as course outline

For the online training portal, it is suggested to follow the steps listed below.

1. Open Website homepage
 - a. <https://cmdf.gov.ph/home>
 - b. <https://cmdf.gov.ph/online-courses>
2. Log-in
